

**Position:** **Field Technician/Installer**

**Location:** 218 Lincoln St, Allston, MA

**Start date:** Immediately

### About Us:

**netBlazr** provides affordable, high-speed internet to residences and businesses in Boston as an alternative to the "big guys" that force people into high-cost service bundles for things they don't want. netBlazr was a finalist in the MassChallenge, a MITX Innovation Award Winner, selected Boston Globe "Game Changer", and is Boston's only 5-star rated ISP on yelp.

### Position Overview:

We seek flexible, conscientious, and dependable Field Technicians to support our customers in Boston. Initial openings are for part-time or contractor roles; which may become full-time employment.

- Plan installations by reviewing work orders, gathering supplies, evaluating location, locating access, formulating wiring plans, and assembling equipment.
- Install and program radio and network equipment.
- Troubleshoot, diagnose, repair, replace, and upgrade components for network maintenance.
- Maintain accurate installation, service, and inventory records.
- Treat customers with respect, courtesy, and professionalism at all times.
- Coordinate schedules with customers.
- Communicate the wiring plan and equipment lay-out with customer prior to the installation.
- Follow industry codes, regulations, and standards.
- Adhere to policies and procedures while working autonomously.
- Maintain a safe work environment by following safe practices and adhering to safety policies.
- Refer to and interpret schematics, manuals, and manufacturer's instructions.
- Update and improve job knowledge by participating in educational opportunities, reading technical publications, and participating in on-going technical training.

### Qualifications:

- 2+ years experience in telecommunications, electrical, construction, or related field preferred
- Must be able to lift up to 50 lbs, climb ladders up to 26 feet, and work on rooftops of buildings
- Must be able to work outside in all seasons.
- Must possess a valid driver's license in Massachusetts and have a vehicle to drive to appointments
- Must be able to speak clearly, concisely, and in a courteous and professional manner
- SBCA and/or other industry certifications preferred
